Study Island

Science Pathways

November 2014

Earth Science Study Island Pathways are worth 10 points each in the Gradebook for answering 10 questions in each pathway.

Blue Ribbons are encouraged but not required for completion. Students who do not earn Blue Ribbons will be invited to mandatory review sessions.

Assigned	Science Pathways can be found in the Earth Science Assignment Worth 10 points each in gradebook. (Or by accessing MI 7 Science)	Due Date Cutoff	Zeroes Entered in Gradebook Morning of
